YMCA Programs Making a difference

The Y is the unparalleled cause for strengthening community because we are the community. We are a powerful association of men, women, and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility.

We believe that lasting personal and social change can only come together to invest in our kids, our health, and our neighbors. That's why, at the Y, strengthening community is our cause.

FOR YOUTH DEVELOPMENT

YMCA of Tyler/Whitehouse Campaign Goal of \$50,000

Your support of the YMCA's Strong Kids Campaign allows the YMCA to respond to the needs of our communities by creating opportunities for individuals to participate in values-based programs that build a healthy spirit, mind and body. We are especially proud of our Youth Programs that help youth grow into responsible adults by embracing the YMCAs core values of caring, honesty, respect and responsibility.

Financial assistance keeps the Y available for kids and families who need it most. We count on the generosity of our members and community to help people of all ages and from all walks of life to be more healthy, confident, connected, and secure. When you give to the Y, your gift will have a meaningful, enduring impact right in your own neighborhood.

"My husband was laid off and has to take ANY part time job to cover our bills. I work, but we're struggling to make ends meet and child care is a big expense for our family. We were so relieved to learn that the Y has financial assistance. I really don't know what my family would do without the Y. Not only are the teachers the best, but I really feel like they care about my little girls and our situation. They LISTEN!"
